Thursday 8th June 8.30am - 4.00pm

PLANTWORX, held every two years, is the UK's dedicated working construction exhibition.

Packed full of construction plant, tools and services. All the leading construction equipment brands in one place.

Reasons to visit

1. If you are involved in the management, purchasing and operation of construction machinery, tools and services - **PLANTWORX** is the event for you .
2. With 140,000 sqm of live construction equipment the 2017 event is bigger than ever.
3. 3 days of LIVE demonstrations and site applications - **PLANTWORX** 2017 has live demonstration areas across the entire site.
4. You can come and see what's new in construction equipment and services - there will be plenty of machine launches.
5. A chance to operate new plant, tools and equipment.
6. Widest range of leading construction equipment brands.
7. The UK's biggest live construction equipment event in 2017.
8. The event will be packed full of dedicated construction services companies for all your on-site requirements.
9. **PLANTWORX** will provide an invaluable experience for everybody working in construction.
10. For youngsters who are looking to join our industry, Thursday's Student Day is designed for you. On this day from 12 noon adults can bring along children of any age.
11. A dedicated two-yearly working machinery event for all construction professionals supported by leading trade associations.
12. **PLANTWORX** is the construction event for the industry by the industry promoted by the CEA (Construction Equipment Association).
13. Located in the centre of England with easy motorway access Bruntingthorpe, Leicester, 15 minutes from Junction 20 M1.
